6. **No of Participants in details (students):** 17 number of students of Botany (Hons) were present in the event.
7. **Nature of Participation:** Students & Teacher

8. Activities Carried out / Detail Description of the event:

The Teacher's Exchange Program established under a Memorandum of Understanding (MoU) between the Department of Botany, Nalbari College and the Department of Botany, Pandu College. Under this program, Prof Mantu Mahanta Department of Botany, Pandu College interact with our 4th and 6th semester (Hons) students on 19th February, 2024. Prof Mahanta took an introductory class on plant diversity and their economic importance. This program allows faculty members from each college to temporarily teach at the partner institution, thereby enriching the academic experience for students and fostering collaboration between the two departments. Through this initiative, teachers gain exposure to different teaching methodologies, research perspectives, and academic environments, ultimately enhancing their professional development. Moreover, the exchange program promotes the sharing of knowledge, resources, and best practices, contributing to the overall growth and advancement of both colleges' botanical education initiatives.
