1. **Title of the event:** One day educational cum industrial visit at Guwahati Biotech Park, Guwahati, Assam.
2. **Venue:** Guwahati Biotech Park, Amingaon, Guwahati, Assam.
3. **Date:** 04/03/2024
4. **Organized by:** Department of Botany, Nalbari College, Nalbari
5. **Faculty Coordinator:** Dr. Rupak Kumar Sarma
6. **No of Participants in details (students):** 12 number of students of Botany 6<sup>th</sup> semester (Hons) were participated in the event.
7. **Nature of Participation:** Students & Teacher
8. **Activities Carried out / Detail Description of the event:**

On March 4th, 2024, a group of 12 Botany 6<sup>th</sup> semester (Hons) students, along with two accompanying teachers, Dr. Rupak Kr Sarma and Dr. Paramita Chakravarty, embarked on a visit to the Guwahati Biotech Park. This visit was organized as part of their B.Sc. (Hons) course in Botany, aimed at providing practical exposure and enhancing their understanding of modern facilities and instruments used in life science research.

During their visit, the students had the opportunity to explore various aspects of the biotech park, including the bioreactor facilities and other modern equipment utilized in research activities. One of the highlights of the visit was the exposure to the incubation facilities tailored for translational research. These facilities play a crucial role in fostering entrepreneurship and innovation in the field of life sciences.

Throughout the one-day visit, the students gained valuable insights into the practical applications of their academic learning, witnessing firsthand the real-world implications of their studies. This experience not only enriched their knowledge but also provided them with inspiration for potential future endeavors in the realm of biotechnology and life sciences.
