7. Report of the activity / Detail Description of the event:

As a part of departmental social responsibility a group of teachers visited Marowa Anandaram Barooah Higher Secondary School and participated in an intimate interaction with the students of Class 11 and Class 12. The teachers explained how history and its understanding help us to realise our present and judge our future. The students were motivated by citing various examples of secrets of the past. Healthy interaction took place and the teachers tried to address every concern raised by the students. Mr. B. N. Medhi, Principal of the school welcomes the initiative of the department.
