3. Mr Mriganka Patowary
7. **Name of the Resource Person:** Mr. Achitra Bargohain, CEO Bin Bag.
8. **No of Participants :** 35
9. **Nature of Participants :** Students & Faculty

10. **Description of the Event :** The Nalbari Innovation Dialogue 2026 is a district-level initiative aimed at bringing together leaders from industry, academia, and government to discuss the role of innovation, emerging technologies, and entrepreneurship in shaping the future of Assam. The dialogue has been initiated specifically to extend the exposure of the state’s growing startup and technology ecosystem beyond major urban centers such as Guwahati and bring similar opportunities, awareness, and interaction to students and young innovators in districts like Nalbari.

Through addresses by distinguished guests, insights from representatives of the startup ecosystem, presentations by technology startup founders, and an interactive panel discussion with students, the program seeks to encourage greater participation of district youth in innovation-driven development and entrepreneurship.
