1. Title of the event: Skill Enhancement Program (Introduction to the Basics of Computer Application)

2. Venue: WB-01, Dept. of Computer Science, Nalbari College

3. Date: 25-11-2018

4. Organized By: Dept. of Computer Science, Nalbari College

5. Faculty Coordinator: Mr. Ankur Baishya

6. No. of Participants in details (students): 25

7. Nature of participation: Students

8. Activities carried out/ Detail description of the event:

A significant portion of the syllabus for many of the nation's main competitive exams is the Computer Knowledge or Computer Awareness segment. To be considered for a relevant employment in the government sector, an applicant must possess a basic understanding of computer applications. Aside from that, it's vital to be familiar with a variety of computer programs, software, terminologies, and shortcuts. So we, Dept. of Computer Science, Nalbari College organized an event of Skill Enhancement Program on Basic Computer Applications and its usages.

Mcq based question on introduction to basics of computer application

Time : 10 minutes   Date : 25/11/2018

1. Which of the following is the smallest unit of data in a computer?
a) Bit ✓
b) KB
c) Nibble
d) Byte

2. Which of the following unit is responsible for converting the data received from the user into a computer understandable format?
a) Output Unit
b) Input Unit
c) Memory Unit
d) Arithmetic & Logic Unit ✓

3. Which of the following is not a type of computer code?
a) EDIC
b) ASCII ✓
c) BCD
d) EBCDIC

4. Which of the following is created when a user opens an account in the computer system?
a) SFD
b) MFD
c) Subdirectory ✓
d) RFD

5. Which of the following service allows a user to log in to another computer somewhere on the Internet?
a) e-mail
b) UseNet
c) Telnet ✓
d) FTP

6. Which of the following is not a type of computer on the basis of operation?
a) Digital
b) Analog
c) Hybrid
d) Remote ✓

7. Which of the following can access the server?
a) Web Client
b) User
c) Web Browser
d) Web Server

8. which of the following is the device used for converting maps, pictures, and drawings into digital form for storage in computers?
a) Image Scanner
b) Digitizer
c) MICR
d) Scanner

9. Which of the following is designed to control the operations of a computer?
a) User
b) Application Software
c) System Software
d) Utility Software

10. Which of the following language does the computer understand?
a) Computer understands only C Language
b) Computer understands only Assembly Language
c) Computer understands only Binary Language
d) Computer understands only BASIC

Report on

1. **Title of the event:** A Workshop on "Uses of ICT Tools"

2. **Venue:** NB11, Nalbari College

3. **Date:** February 28, 2022

4. **Organized by:** Department of Philosophy, Nalbari College, Nalbari

5. **Speaker:** Ankur Baishya, Assistant Professor

6. **Faculty Coordinator:** Purabi Talukdar

7. **No.** of Participants: 41

8. **Nature of Participants:** Students

9. **Description of the event:** The Department of Philosophy hosts a workshop focusing on the practical applications of ICT (Information and Communication Technology) tools. Ankur Baishya, a knowledgeable expert in the field, leads the session. Ankur Baishya delves into the fundamental concepts of computer functions, emphasizing the interplay between input and output processes. He elaborates on the essential components of hardware and software, providing participants with a comprehensive understanding of ICT tools' functionalities. Participants actively engage with Ankur Baishya's presentation, asking questions and seeking clarification on various aspects of computer technology. The interactive nature of the session promotes deeper learning and understanding among attendees. As the workshop draws to a close, participants depart with a heightened appreciation for the uses of ICT tools in the field of philosophy. They are equipped with practical skills and knowledge that will enhance their research, teaching, and communication capabilities in an increasingly digital world.

11. Feedback on the programme from the participants/guest (if any):

1. **Title of the event: Workshop on " Uses of ICT Tools "**

2. **Venue: Digital Classroom, Nalbari College, Nalbari**

3. **Date: 08/04/2024**

4. **Organised by: Department of Assamese**

5. **Faculty Coordinator: Dr. Bandana Das**

6. **No of Participants in details (students): Teacher: Student: 53**

7. **Nature of Participation:** Students &Teacher

8. **Detail Description of the event:** ICT is a very important subject for the students of today's world. Without skills in this field, it is impossible to move forward in today's competitive days. Therefore, the Department of Assamese, Nalbari College has organised a workshop on "Uses of ICT Tools" on 08/04/24 for students. The workshop was attended by Dhruba Jyoti Mishra, Assistant Professor and Head of the Department of Computer Science, Nalbari College as a resource person. There was a huge participation of students and faculties also took part.

   During the workshop, he discussed about computer knowledge, internet, and its needs in the student's life and workplace. After the workshop, the resource person participated in a question and answer session with the students. The programme has started by the speech of our honourable Vice Principal Phatik Barman and vote of thanks by Punyashri Bezbaruah, Assistant Professor, Nalbari College, Nalbari.
