AND  
SARATHI MULT SPECIALITY HOSPITAL, ASSAM, INDIA, PIN - 781335.**

This memorandum of understanding is made and executed on ~~27-04-23~~ for 05 years from ~~27-04-23~~ to ~~26-04-28~~ between the Nalbari College, Nalbari, P.O. Nalbari, Dist. Nalbari, Assam, India, PIN - 781335 and the Sarathi Multi Speciality Hospital, Nalbari, Assam, India, PIN - 781335.

**Preamble**

Nalbari College, Nalbari is one of the premier higher educational institutions in Assam. The institution is established in pre-independent India on 4<sup>th</sup> July 1945. From its establishment onwards, the college has taken a pioneering role in shaping and promoting higher education in the entire lower Brahmaputra valley. This is one of the premier colleges that consistently demonstrated excellence in academic and research pursuits.

Sarathi Multi Speciality Hospital, located in Nalbari, is a leading healthcare institution in the region. The hospital plays a crucial role in providing comprehensive medical care through its multi-specialty services. Sarathi Multi Speciality Hospital continues to be a pillar of healthcare in Nalbari, providing critical services that significantly contribute to the health and well-being of the community.

Both parties have been working on applied research in life science and health care. The Nalbari College, Nalbari and Sarathi Multi Speciality Hospital, Nalbari would be mutually supportive in the clinical diagnostic based research work.

Nalbari College, Nalbari and Sarathi Multi Speciality Hospital, Nalbari, hereinafter collectively referred to as the parties/institutions, and individually as party/institution.

**Objectives**

1. Incorporate practical, hands-on training for life science students in clinical diagnostic techniques and laboratory procedures.
2. Collaborate on updating and enhancing the curriculum to include contemporary diagnostic methodologies and technologies.
3. Facilitate internship programs for life science students at the clinical diagnostic laboratory to gain practical experience and industry exposure.
4. Offer training sessions, workshops, and seminars by laboratory professionals to students and faculty to keep them abreast of the latest advancements in clinical diagnostics.

There will be no financial obligations on both parties under this agreement.
