### Preamble

Nalbari College, Nalbari is one of the premier higher educational institutions in Assam. The institution is established in pre-independent India on 4<sup>th</sup> July 1945. From its establishment onwards, the college has taken a pioneering role in shaping and promoting higher education in the entire lower Brahmaputra valley. The Department of Botany is one of the oldest departments of the institute. This is one of the premier departments of the college that consistently demonstrated excellence in academic and research pursuits.

MNC Balika Vidyapeeth is one of the premier girls' high schools in Nalbari, Assam established in 1973. Since its inception, the school has been dedicated to promoting girls' education in the lower Brahmaputra valley.

Both parties have been actively working towards enhancing education in the region. In collaboration, Nalbari College will develop both online and offline teaching frameworks for high school students, aiming to motivate them towards pursuing higher education. This partnership seeks to improve educational opportunities and outcomes for students in the region.

Nalbari College, Nalbari, and MNC Balika Vidyapeeth, Nalbari hereinafter collectively referred to as the parties/institutions, and individually as party/institution.

### Objectives

The broad objective of the agreement is to provide a foundation for higher education and scientific learning among high school students in the region. This includes offering
