

### ***Awareness program on Snake bite(02-06-2022):***

Since 2019 ,different socially beneficial programs were undertaken by the Nalbari College in the adopted village Mugkuchi, under the MoU with the Mugkuchi Gaon Panchayat, with the intention of creating awareness in different socially significant issues.

In Assam there are many superstitions regarding snake and every year many people died because of the trauma of snake bite. Among all snakes found in Assam only two or three snake species are poisonous. But people consider all snake are poisonous and kill them. Snake has played a role in maintaining ecological balance of the earth. But people are not aware of the fact. An enthusiastic awareness program was organized by Nalbari College in the Mugkuchi Village. The program was conducted with the motive of teaching precautions as well as dispelling myths regarding snake encounters. The program aimed at providing at most knowledge in recognizing and correcting life-threatening conditions, also aware them with the do's and don'ts in such situations. It was an interactive session, where masses clear their doubts, fears and clarified about their phobias.
